Welcome 6th Graders!!

A Message from Mark...

by Rev. Mark Russell, Associate Pastor

New Holland Baptist Church

rmarkrussell@charter.net

Cell: 678-617-3963

WELCOME to the many new faces we're seeing in TeenChurch—especially those who have joined us since school started back in August. We are GLAD you're here and are excited for our future together. Did you know....that we have three kids in TeenChurch now whose parents also came through TeenChurch many years ago? We do....I have "grand-youths" now!! Awesome! We have a great leadership team—don't hesitate to call on us if you need anything. You will notice my cellphone number above...text me if you need to. I'm also on Facebook under "R. Mark Russell."

Our approach to ministry is one that emphasizes the place of students in today's church. There's an old saying that states that "Our youth are the church of the future." While this is true in one sense, it's incorrect in another. Every person who is born-again (saved), regardless of being young or old, is a part of the church and is significant in God's plans. We can all work for and in God's kingdom! We can all do God's work TODAY! For this reason, we center a great deal of our teaching on discipleship and building all of our students into CHAMPIONS FOR CHRIST!

There are many places to get involved. If you notice, any time that our church has a project or emphasis, we find our youth (students) involved. We are also very excited about our TeenChurch Band that rehearses most Sunday night's at 5:00 p.m. We also take part of that time to develop young singers and players. It is in our plans to expand our band as new talent becomes available. Our TeenChurch Band leads worship for "big church" on Sundays from time to time and leads worship for our TeenChurch Worship each Wednesday. Worship is a big part of our Wednesday experience.

I hope that you will feel welcome and a part of what's going on immediately. The group that is already there has done a great job of welcoming you. In turn, we ask that you do the same...be a friendly face for our guests! You are encouraged to bring friends with you—they are welcome as well.

Hold on tight! TeenChurch is a great ride!!

Kyle's Word of Welcome

by Kyle Baugh

I am so excited to be able to welcome this upcoming bunch of TeenChurch! I know we are going to have a blast! I want every kid to know and feel that if there is ever a time they need a helping hand or some encouragement that the loving and caring TeenChurch staff is always there to help! I'm so excited to be able to make new friends over this next year and I can't wait to see God move through our youth ministry for years to come! Ever since I've been a part of the youth here, I've known I was a part of something special. We will at times cut up and joke around with each other. But in the end, we know that we are a family and we love and care for each and everyone so much. This TeenChurch group is amazing and we are so excited and ready to begin a very new and lasting friendship with this upcoming group! God Bless each and every one of you!

Boxes will be available at church soon.

DEADLINE: November 15 at NHBC

List/Instructions are available with each box.

Wednesday, Dec. 27—Friday, Dec. 29

IT'S OK I'M WITH THE BAND

TeenChurch Praise Band News by Katie Bausch

Every Sunday night we practice using our talents for God, making sure that on Wednesday night we give God the praise and honor back for what He has blessed us with! Worship is important because it is a way to give God the honor He deserves. We are always learning new songs and figuring out new talents in hopes that TeenChurch will continue to grow!

LIFE MOMENTS: THE BRACES ARE OFF!

By Bailey Thompson

Do you have braces, or will you be getting braces? Well, I just had my braces taken off and it was awesome and kind of painful at the same time. When you get your braces off, they first start with taking a pair of dental pliers and popping off each bracket, that part doesn't hurt. After they pop all your brackets off your teeth, they will take a spinning tool and put it to your teeth to get the glue off your teeth - that part kind of hurts. But, when the tool hits the tender parts of your teeth it tickles a lot. It's like biting into ice cream over and over. After they get all the glue off your teeth, they take you into a room and make a mold for your retainer. Then they will take a lot of pictures and then X-rays of your teeth. After that, the doctor will come in and finish polishing your teeth. When you leave the dentist, then you will have to come back later and pick up your retainer. That is how your braces come off.

Sunday Worship (Early 8:30 a.m.,
Late 11:00 a.m., Evening 6:00 p.m.)

Sunday School (9:45 a.m.)
